2. Gift RegistryWorks™

Gift RegistryWorks™ is hosted by MarCole, and seamlessly links to your business website. As a Software-as-a Service (Saas) application there is no software to buy or install. All that is needed is a PC, a web browser and an Internet connection. The graphical user interface is branded with your company logo; contact information and can incorporate custom images. No third party advertising or links are displayed. No data is sold – or used for any other purpose. On-line orders are accepted on MarCole PCI compliant, secure servers.

Monthly Services – Choose the Base Gift Registry and add the options desired: Pricing includes email and phone technical support: Please see MarCole Data Sheets for details of each modular system component.

Base System:

- Create, Find and Update Gift Registries in-store or call center – administrative functions and reporting
- Find Gift Registries on-line and accept Internet Gift Registry credit card orders
- Manage Item Information and Images manually with DataWorks™

	Registry Manager, Online Gift Registry and DataWorks! – for 1 store	\$198	
	Discounts may apply		
	Add \$99 a month for each additional physical store beyond one	\$99	

_____ **Yes**, I want to capture orders on-line

No, I do not want to accept orders on-line – Customers will be instructed to call your store to place orders – no charge.

If Yes, choose one option below – The order capture fee is NOT Charged for sales made in-store

The standard implementation of Gift RegistryWorks™ and CatalogWorks™ does not include automated credit card authorization. Upon receipt of an order you will receive an email indicating that you have an order to pick up. You will be provided access to a password protected secure connection enabling you to view and print the order(s) which you then can process in the same way you would a phone order.

_____ Check here if you want to select this option.

MarCole is an **Authorize.net** business partner and can utilize authorize.net account for automated credit card authorization. There is no additional MarCole fee for this option. Authorize.net will charge processing fees.

_____ Check here if you have an existing authorize.net account.

_____ Check here if you would like us to help you set-up an authorize.net account.

Terms of Service

When you place your order your credit card will be charged for your one time set-up investment and your first monthly fee, plus website set-up only if applicable. Upon receipt of your order MarCole will email set-up forms specific to the options you order within 24 hours. We will make our best effort to send you the links enabling you to go live within 7 business days from the date we receive your completed forms. Advance billing for your second month will occur 30 days from the date you place your order. Therefore the sooner you complete and return the set-up forms the more “free” time you will have before additional monthly charges apply. **You may cancel the monthly service with 15 days notice at any time;** however, set-up fees are non-refundable once your order is placed. By your signature below you acknowledge these terms.
